## Lease information

The seller advises us that the lease was renewed in 2026 and now has approximately 170 years remaining. The annual ground rent is £10 per year, and annual service charges are approximately £800. The building is managed by the district council and has no elements of commercial profit margin that are present in the traditional managing agency model. We have not sighted lease documents to evidence this; all information must be checked by your conveyancer.

## What the agent says... “,, Material Information:

This two-bedroom maisonette provides split-level accommodation that has been the subject of refurbishment and redecoration and is beautifully presented. A white modern kitchen benefits from an integral fridge, a separate integral freezer, a selection of pan draws and cupboards and a modern freestanding cooker will be remaining.

The lounge diner is an unusually bright room with full length and fullwidth windows with views across the Nyewood school-field. The property is fitted with ample storage cupboards, and upstairs is the main bedroom with a newly fitted modern wardrobe, a further large double bedroom, and a replacement bathroom.

The new bathroom joins a separate WC and bathroom into one cohesive room with a stylish white suite, tiling, and shower over the bath. Outside, parking is available on a first-come first-served basis in a collection of laybys and perpendicular spaces.

In our opinion this is one of the best presented examples of budget accommodation that we have seen, and viewings are strongly recommended.
