What the agent says ...

Located in the heart of Bognor Regis, this characterful first-floor split-level apartment offers a fantastic opportunity for buyers looking to create a home of their own or invest in a well-positioned property close to the coast.

Ideally situated just a stone's throw from the seafront, the property enjoys superb convenience with a wide range of bars, restaurants, shops and the mainline train station all within easy walking distance.

Inside, the accommodation is full of charm and individuality, comprising a spacious living room featuring an impressive bay window spanning almost the full width of the wall, offering elevated views over the town below. There is a generous double bedroom, a smaller single bedroom, kitchen and bathroom, all arranged across a split-level layout which adds to the apartment's unique feel. The building also benefits from an entry phone system for added security and convenience.

While the property would benefit from modernisation and some TLC throughout, it presents an excellent chance for buyers to put their own stamp on a home with plenty of potential, all at an attractive price point.
